### New Procedures for Obtaining and Renewing Individual Licenses/Registrations

*This Change Affects ALL Applicants*

Dear Licensee:

In order to comply with HB 1804, Oklahoma's new immigration law, the Construction Industries Board established new procedures for obtaining/renewing licenses and registrations. As a result of the law, all state agencies are required to verify that applicants are in the U.S. legally prior to issuing any license or registration.

Both U.S. citizens and non-U.S. citizens must complete and submit the appropriate notarized affidavit of lawful presence to the Construction Industries Board when a new license is obtained. Non-U.S. citizens must execute a new affidavit each time the license is renewed. U.S. citizens are not required to execute a new affidavit unless the applicant's citizenship status has changed since the license was issued or last renewed. Non-citizen affidavits will not be accepted without a copy of the applicant's valid immigration document reflecting the applicant's current "A" number or "I-94" number. For more information on the agency's licensing procedures, visit <http://ok.gov/cib> or call the Construction Industries Board at 405-521-6550.

**\*\*You must complete this form and return with your renewal in order for your license to be processed!\*\***
