

**Inter-Agency Agreement for
Oklahoma Department of Career and Technology Education
and
Construction Industries Board**

This Agreement is entered into by the Oklahoma Department of Career and Technology Education (hereinafter referred to as ODCTE), and the Construction Industries Board (hereinafter referred to as CIB). The effective date of this Agreement is the date of the last signature to this Agreement.

1. Purpose:

a. Background:

This Agreement is between ODCTE and CIB to develop and implement a workforce development program that will provide career awareness, create interest in the pursuit of a licensed/registered skilled trade career, and develop trade education programs including education on the statutes and rules governing the skilled trade careers and the statewide code standards that can be in conjunction with instruction in performing skilled work for the advancement of workforce development and education that will create interest in the pursuit of a licensed/registered skilled craft professional career, pursuant to and in support of HB 1280 (2018).

b. Scope:

ODCTE, in partnership with the CIB, will provide services to develop and implement a workforce development program for the plumbing, electrical, mechanical and roofing licensed/registered skilled trade careers that will create interest in the pursuit of a licensed/registered skilled craft professional career and for the advancement of workforce development and licensed/registered skilled trade related education including career awareness and career pathway opportunities in these professional occupations. In exchange for the services provided by ODCTE, the CIB will remit funds for these services. The CIB, along with the State of Oklahoma, will receive the benefits of increased education of the laws governing these skilled trades and workforce development and increase in an educated and licensed/registered skilled craft professional workforce.

2. Statement of Work:

a. ODCTE Responsibility:
