APPROVAL REQUIREMENTS FOR CONTINUING EDUCATION AND HOME INSPECTION TRAINING COURSES

1. The application must be received by the Construction Industries Board at least fifteen (15) days prior to the date of the Home Inspector Examiners Committee meeting during which the applicant wants the course to be considered for approval, and at least thirty (30) days prior to the date for which the course is scheduled. See OAC 158:70-9-3(a).
2. The application must include the following:
 - a. An agenda and course outline that provides sufficient information regarding the beginning and ending of actual instruction times, sign-in times, breaks, lunches and evaluation time and the program objectives detailing the material to be presented in the course.
 - b. Instructor Biography or Resume.
 - c. Information demonstrating the proposed home inspection training program meets the education standards for licensing.
- **Note:** If the application is incomplete or the above items are not included, the request will be returned.
3. Presented material shall pertain to course subjects approved by the Home Inspection Examiners Committee. See OAC 158:70-9-5(b)(2) for recommended curriculum for continuing education courses.
4. Each course is to be submitted on a separate application for each date, or dates, that constitute a single course.
5. Applications for approval of online or correspondence courses shall be resubmitted annually, from date of approval, for review and approval.
6. The course, including the named advertised participants, must be conducted substantially as approved, including lunch and breaks shown on the approved agenda, subject to emergency withdrawals and alterations.
7. No advertising shall indicate that a course is endorsed, recommended, or accredited by the Committee. All advertising must include the course ID number and the number of hours of CE credit approved by the Committee, except for advertising that refers or links to a website that displays the required information. See OAC 158:70-9-3(e).

SPECIAL APPROVAL REQUIREMENTS FOR CONTINUING EDUCATION

1. Course content should be designed to update knowledge and improve inspection skills directly related to the components and systems described in OAC 158:70-1.
2. All courses shall be at least two (2) hours in length.
3. Unless provided after regular working hours, the course location shall be outside the regular work place.
4. The continuing education provider must return sign-in sheets for classroom/lecture courses to the Home Inspection Division of the Construction Industries Board.
