Plumbing Journeyman **\$75.00** (License fee \$50.00 + Application Processing Fee \$25.00 = total \$75.00)

### **EXPERIENCE REQUIREMENTS:**

158:30-9-1(j); Applicants for plumbing license examinations who are not licensed and wish to include experience gained in Oklahoma must maintain an apprentice registration on file with the Oklahoma Construction Industries Board for all experience obtained in Oklahoma. The Construction Industries Board *will not* consider experience obtained in or outside of Oklahoma as verifiable experience for periods in which an apprentice is unregistered, except for experience lawfully obtained according to any applicable federal or state laws, and must be comprised of plumbing work as defined in the Act and in this Chapter.

1. **Applicants for the journeyman examination must be eighteen (18) years of age or older and have either:**
  - three (3) years of experience in the plumbing trade while employed by a licensed Plumbing contractor.
  - (2) equivalent verifiable three (3) years of experience in the plumbing trade while serving in the U.S. military.
  - (3) a verifiable out-of-state plumbing license which may expedite processing of the requirements, the license must be:
    - current, and
    - in good standing.
  - The following may be substituted for a portion of the experience requirement in (k)(1) and (l) of this Section:
    - (1) An associate degree or vocational diploma certifying completion of a formal plumbing educational program approved by the Committee, consisting of a minimum of one thousand (1,000) classroom hours from a school approved by the Committee, may be substituted for two (2) years of experience.
    - (2) A vocational diploma certifying completion of a formal plumbing educational program approved by the Committee, consisting of a minimum of five hundred (500) classroom hours from a school approved by the Committee, may be substituted for one (1) year of experience.
    - (3) A vocational diploma certifying completion of a formal plumbing educational program approved by the Committee, consisting of a minimum of three hundred and seventy five (375) classroom hours from a school approved by the Committee, may be substituted for three-fourths (3/4) of a year, or nine months of experience.
    - (4) A vocational diploma certifying completion of a formal plumbing educational program approved by the Committee, consisting of a minimum of three hundred and thirty four (334) classroom hours from a school approved by the Committee, may be substituted for two-thirds (2/3) of a year, or eight months of experience.
    - (5) A vocational diploma certifying completion of a formal plumbing educational program approved by the Committee, consisting of a minimum of two hundred and fifty (250) classroom hours from a school approved by the Committee, may be substituted for one-half (1/2) year, or six months of experience.
2. **Applicants for a contractor license must meet the same requirements as a journeyman with an additional one (1) year of experience in the Plumbing trade.**

*If the applicant fails to meet the minimum qualifications to take the examination, the application fee will be forfeited.*

**An examinee must make 75% or more on each part, above, to pass the examination.**

## **CONTRACTORS:**

After you have successfully passed your exams, your license will be inactive until the CIB receives proof of the bond and insurance listed below:

1. An Active Plumbing Contractor is required to carry a five thousand dollar (\$5,000.00) Corporate Surety Bond payable to the Oklahoma Construction Industries Board. The bond must be in the individual license holder's name. The bond must be continuous and provide for thirty- (30) days cancellation notice.
2. An Active Plumbing Contractor must provide a certificate of insurance evidencing a minimum of \$50,000.00 commercial general liability insurance. The individual license holder's name must be on the certificate of insurance. The Certificate holder is the Construction Industries Board.

## **EXAMINATION INFORMATION and MATERIAL FOR STUDY:**

All applicants are required to pass the Oklahoma Plumbing exam to gain licensure. In addition, Contractors must take and pass the Plumbing Business and Law exam.

Once the Construction Industries Board receives your application and remittance, it will be reviewed for approval. Once approved you will receive a letter stating your application has been approved and your information will be forwarded to our national testing provider, PSI for testing. ***You are responsible for contacting PSI to schedule an appointment to take the exam*** by calling 1-800-733-9267 or via the internet at [www.psiexams.com](http://www.psiexams.com). Contact PSI for study materials, testing sites, testing fees and testing dates or download the Candidate Information Bulletin from their website.

Any applicant initially failing to pass the examination shall not be permitted to take another examination for a period of thirty (30) days. Any applicant subsequently failing to pass the examination shall not be permitted to take another examination for a period of ninety (90) days.
